THOUGHT FOR 18TH SUNDAY IN ORDINARY TIME

There is more to life than wealth and riches. We tend to look for material security in this world until it becomes an obsession with us. Yet we cannot take our riches with us when we die. We need to live the life of grace as people who have died to the things of this world in order to live for the spiritual riches of a life given to Christ. In this way we will get our priorities right and our lives will be full of true happiness and meaning.
