OUR COMMON HOME: Today we mark the first Sunday of the Season of Creation 2020, which runs from 1 September to 4 October and celebrates the joy of creation, while encouraging awareness of initiatives to protect the natural environment. We are reminded of our duty to care for what Pope Francis calls "our common home". We tend to think of "home" as our own house and family but we must also be conscious that we live in a wider relationship with the earth and all creation. During this time, let us remember all those across the world who are suffering as a result of environmental damage. The way we live has consequences for the whole world and its future so let us consider how we might make some changes that reflect our care for others and our common home. In Pope Francis' words: "*We need to strengthen the conviction that we are one single human family*".

The Nativity of the Blessed Virgin Mary – 8th September

Let all creation sing and dance and unite to make worthy contribution to the celebration of this day. Let there be one common festival for saints in heaven and people on earth. Let everything, mundane things and those above, join in festive celebration. Today this create world is raised up to the dignity of a holy place for him who made all things. The creature is newly placed to be a divine dwelling space for the Creator.

[St Andrew of Crete (650-740), Office of Readings]

"Remember, my beloved child, that all of the happenings of our life are part of the utterly unknown economy of God." (Saint Luke of Simferopol)
