REOPENING OF ST LUKE'S FOR MASS: As was mentioned in an email sent to Parishioners earlier this week, and as you can see at the start of the newsletter, St Luke's will be opening for the celebration of Mass 3 times a week from this weekend: Saturday evening, Sunday morning and Wednesday morning. Please remember to book a place and to bring your face coverings with you when you come. The Mass will be shorter than we are used to in order to avoid people being in an enclosed space for too long, so please do not arrive TOO EARLY; Church will be open approximately 20 minutes before the start of Mass.

REFLECTION SHEET: For Parishioners unable to get to Mass, the Diocesan Reflection Sheets will still be posted on our website each week for your use during private prayer at home. Click [here](#) for easy access to this week's sheet.

CAFOD THANKS: We recently received a note of thanks from CAFOD for our generous donation of £485.51, raised before the lockdown started. Donations like this mean that CAFOD can stand by communities in the long run, while also enabling them to be there when an emergency strikes and reach people in urgent need. Through the current drastic food shortages in Zambia and Zimbabwe, CAFOD have been able to provide emergency food and safe, clean water to many families in need. Thank you for helping them to keep providing such much-needed support.

CARITAS SOCIAL ACTION NETWORK: CSAN, the official national Catholic agency tackling poverty and injustice in England and Wales, is asking us to think about how we might "add more joy to our community, the lives of older people and our own lives". Their resource, *Reaching Out*, illustrates some ways parishes can connect with older people through group activities. If you feel you could help to "add more joy" to our parish, please contact us with your ideas or look at the caritas website by [clicking here](#).

MISSION FOR CATECHESIS: For anyone interested in the Mission for Catechesis in our parish, there is now a Mission YouTube channel which can be accessed [here](#). There are currently 3 videos which introduce the Mission and their formation materials. A new video will be posted each week.

SCHOOL CHAPLAIN: The Catholic High School, Chester is looking to appoint an enthusiastic School Chaplain for a 1-year fixed term contract from September 2020. If you have energy and a positive approach, combined with the highest expectations for yourself and your students, they would love to hear from you. For more information, please check the "Recruitment" section of their website available [here](#).

"A tree is known by its fruit; a man by his deeds. A good deed is never lost; he who sows courtesy reaps friendship, and he who plants kindness gathers love." (Saint Basil)

MEASURES IN PLACE DURING MASS: St Luke's is now open for Mass at the times indicated. Please note that the following measures are in place for your safety:

- There will be a restricted number of **30 people** at Mass; a pre-booking system will be in operation.
- Hand sanitisers will be provided at the entrance, within the porch and at the exit and should be used by all.
- Doors and windows will be open as much as possible to allow for the flow of fresh air.
- The church toilets will be closed to the public.
- There is a one-way system in place which involves the use of steps. For those visitors who would prefer to use the ramp, please let a steward know and they will be happy to accommodate your needs.
- Votive candles will be placed in the holders in advance to avoid cross-contamination, and an initial candle lit which may be used to light other candles. If you do wish to light a candle, please do so before the start of Mass and return to your assigned seat trying to avoid touching any surfaces if possible.
- Visitors are asked **not** to touch statues during their visit.
- No food or drink will be allowed on site (should you require water please ensure your bottle is of the sports-cap type, not a twist cap bottle).
- Children are **very welcome** to attend, but parents or guardians must manage them appropriately, particularly ensuring that they touch as few surfaces as possible.
- You **MUST** wear a face-covering as you enter Church and throughout Mass.
- Some single-use material will be provided as you arrive. Please ensure that you take this with you when you leave and dispose of it appropriately. If you have a device or missal with text for Mass you may bring this with you.
- A steward will direct you to a seat; people from the same household will be able to sit together.
- Holy Communion will be given out at the end of Mass.
 - The priest will say "The Body of Christ" and everyone will answer "Amen". There will be no words spoken as you come to receive.
 - A steward will invite each row forward in a pre-determined order. Please wait to be invited before leaving your bench.
 - Take your face covering down when the person in front of you is receiving.
 - Receive the host in your hand, step to the side (to the furthest available "cross" on the floor), consume the host and then put your face covering back on.
 - Make your way slowly and reverently out of Church, using the one-way system if you are able to (if you need to use the ramp to exit rather than steps, a steward will explain the route you should take).

Thank you all for playing your part in helping us to create a safe environment to celebrate public Masses again.
