THE ASSUMPTION OF THE BLESSED VIRGIN MARY: This feast, celebrated next Tuesday, marks the special place that Mary, chosen to be the Mother of Jesus, has in the life of the Church. Through this feast we celebrate our belief that Mary was taken, body and soul, into heaven when her life on Earth was over. The resurrection of Christ is the guarantee that in him God has given us the power to conquer sin and death. Our Lady is assumed into glory through the power of her son and we pray that one day, like her, the fulfilment of glory will be ours. We are destined for heaven, where Mary is now with her glorified Son. Her Assumption gives glory to God the Father who has done great things for her.

ROAD CLOSURE WARNING: Please note that we have been advised that the road between The Golden Lion in Ashton and St Cuthbert's Church in Mouldsworth will be closed for 7 days from **Friday, 18th August**. A diversion will be in operation which may increase your journey time to St Cuthbert's on Sunday, 20th August. The journey to St Cuthbert's from the Frodsham direction should be unaffected by this closure.

URGENT REQUEST FOR DAILY PRAYERS TO APPOINT AN ANTI-SLAVERY COMMISSIONER:

Now in its 10th year of action, Churches Together are totally focusing their time on daily praying for the appointment of an Anti-Slavery Commissioner. The post has now been vacant since 30th April 2022. Under the Modern Slavery Act, the Commissioner has a: "UK-wide remit to encourage good practice in the prevention, detection, investigation and prosecution of modern slavery offences and the identification of victims." Would you please pray daily with us for the Secretary of State to make an immediate appointment? Thank you for joining in prayer with us.

EOLP COURSES: The End of Life Partnership will be leading two standalone courses on "Grieving Before Loss" and "Grieving When Caring Ends" at Main Street Community Church on Monday 18th September. If you are interested in attending, please see the poster in the porch for further information.

ST LUKE'S BUILDINGS: Parishioners at St Luke's will be aware of many leaks throughout the building over the years. Over the past few years we have been trying to address these issues and we have had some success, and happily we have been able to eliminate buckets and basins that were often needed during bad weather. Recent work appears to have solved the problem with flooding in the cellar/kitchen area/toilets for the moment. Supported and guided by the Diocese Property Surveyors, tenders have been sent out recently for fixing the flat roof of the church. Hopefully work will begin in early autumn once approval has been received for this costly work from the Diocese. Many thanks to our parishioners Martin and Jason for their supportive and ongoing work on these major problems. Please pray for the success of these works in the coming months.
