**MARY'S MEALS** has recently launched an emergency appeal for children and families in Southern Africa who urgently need help. The region is experiencing its worst drought in 100 years. Crops have failed, cattle are dying, and food is scarce and expensive. The situation is desperate; an estimated 21 million children are suffering from malnutrition. Mary's Meals is providing a lifeline to families in four of the worst-affected countries, Malawi, Mozambique, Zambia and Zimbabwe. It costs just 10p a day to feed a child at school with Mary's Meals. With your support we can help many thousands more children and families through this devastating drought. Please visit [www.marysmeals.org.uk](http://www.marysmeals.org.uk) and find out more about our Emergency in Southern Africa appeal.
